Dear Councilmembers:

Re: NO to higher taxation for Second Homes

Dear Councilmembers:

I live and have a business on the North Shore. If you raise the property taxes for second homes the majority are vacation rentals, my business will take a dive. I support my family and hire local residents because of the regularly visitors.

Second home owners are already talking about selling. These vacation homes generate millions.

Please be responsible and think about the whole picture.

Mahalo,

*H. Mahaloni
Klanan Toman
Lani*
